

Craft of the month

August 2009

Paper plate critters (lady bird, spider, bumble bee)

What you will need

- ❖ Paper plates
- ❖ Colour pencil and felt tip pens
- ❖ Pritt stick or P.V A glue
- ❖ Tissue paper
- ❖ Card and paper
- ❖ Small buttons

What you will need to do

1. Turn the paper plate upside down
2. Choose your animal design and decorate the plate to look like your animal's body (you can use pens, pencils or tissue paper pieces).
3. Take a piece of card and cut it into short strips for legs and antennae.
4. Cut out any other body parts from another piece of card, colour as needed. The wings can be made from paper or tissue paper.
5. Assemble your critter using Pritt stick or PVA glue, if possible use old buttons for the eyes
6. Leave it to dry
