

# CRAFT OF THE MONTH

February 2009

# RAINMAKER

## WHAT YOU NEED-

- Cardboard Tube
- Strips of colourful paper
- Pens
- Glue
- Silver foil
- Rice
- 2 pieces of material cut into circles
- 2 rubber bands

## WHAT YOU NEED TO DO -

1. Decorate a strip of paper with the colouring pens in whatever design you want.
2. Stick the paper to the cardboard tube so that it circles around it.
3. Keep decorating and sticking the paper strips until you have completely covered the tube.
4. Take a piece of silver foil and scrunch it into a long thin piece.
5. Twirl the piece of foil so that it makes a spiral.
6. Put the spiral inside the tube (you may want to attach other pieces of foil to make a long spiral).
7. Decorate the two pieces of circular material.
8. Take one of the pieces of circular material and put it over one of the ends of the tube. Attach it using a rubber band.
9. Take a couple of handfuls of rice and put them inside the tube.
10. Take the other piece of circular material and put it over the other end of the tube and attach it using the other rubber band.
