

CRAFT OF THE MONTH
JANUARY 2011

Make your own Dreamcatcher

What you need:

- 1 paper plate
- Wool
- Colouring pens
- Feathers

What you need to do:

1. Take the paper plate and colour around the edge or stick on feathers.
2. Chose one piece of wool.
3. Thread the piece of wool through one of the holes and tie a knot (you may need to ask an adult to help you).
4. Once you have tied a knot then begin to thread the piece of wool through the other holes so that the wool goes across the middle of the plate.
5. When the wool has gone through all the holes stick the end of the wool to the back of the plate.
6. Now you can hang up your dreamcatcher!
