

## Craft of the month

June 2009

### Musical instrument

### What you will need

- Paint
- Colour pencils, felt tip pens
- Pritt stick or PVA glue
- Tubes, boxes, plastic containers, plastic bottles
- Rice, pasta, little stones, old penny's, elastic bands or buttons
- Tissue paper or coloured paper
- Sequins

### What you will need to do

1. Decide what type of musical instrument that you want to make
2. Build it out of tubes, boxes, plastic containers, water bottles
3. Decorate your musical instrument using paint, felt tip pens, tissue paper, sequins
4. Fill with your chosen materials e.g. pasta, beads etc
5. Seal the container and begin to make your own music

### Great website we've used for an array of ideas:
