

**CRAFT OF THE MONTH  
MARCH 2010**

# Bubble Pictures

1. Choose your favourite colour and ask an adult to pour a drop of paint into a plastic tub
2. Add a splodge of washing up liquid
3. Add a splash of water
4. Mix together
5. Choose a straw, pop it in the plastic tub and begin to make bubbles by blowing into the straw!
6. When the bubbles spill over the plastic tub, pour bubbles into the tray and place a piece of the paper over the bubbles until most of the bubbles have gone.
7. Pull out your bubble picture and leave to dry!
