

CRAFT OF THE MONTH

MAY 2010

Make your own Pasta Jewellery!

To make a pasta necklace you will need;

- Pasta
- Glitter
- Glue
- Wool

You will need to:

1. Take one piece of pasta and roll it in glue.
2. Then roll the piece of pasta in glitter.
3. Place on a plate to dry.
4. Repeat this as many times as you like!
5. Once you have lots of glittery pasta take a piece of wool and thread one piece of pasta onto the wool.
6. Once you have threaded a piece of glittery pasta then thread a piece of plain pasta.
7. Repeat this until you have used all your glittery pasta!
8. To finish your necklace, tie the two ends of the wool together.
9. You could also paint your pieces of pasta.
