

Craft of the month

October 2009

Paper bowl UFO

What you will need

- ❖ Paint, glitter- whatever you have at home
- ❖ Paper bowls
- ❖ PVA glue
- ❖ Tin foil
- ❖ String
- ❖ Bottle tops

What you need to do

1. Take two bowls and make a small hole through both
2. Feed the string through both bowls, so you can hang up your UFO
3. Glue the edges of the bowls and stick them together (or you can cheat and staple them!)
4. Decorate your UFO using paint, glitter, coloured paper, whatever you have at home
5. Leave it to dry
6. Once dry cut up your tin foil into squares and stick them around your painted UFO
7. Add bottle tops to the bottom of the UFO as feet
8. Beam me up Scottie!!
