

CRAFT OF THE MONTH  
OCTOBER 2010

Make your own.....

# Scary Spider!

## What you need -

- 1 large black circle
- 1 small black circle
- 1 paper spring
- 2 goggle eyes
- Glue
- 4 pipe cleaners
- Sellotape
- Peg/magnet

## What you need to do -

1. Take the large black circle and the pipe cleaners.
2. Take the 4 pipe cleaners, fold in half and sellotape on either side of the large black circle for your spider's legs!
3. Now take the smaller circle and glue your goggle eyes onto the circle.
4. Now glue the paper spring in the middle of the large black circle and then glue the smaller circle on the end of the paper spring.
5. Now your spider is nearly complete, glue a peg or magnet onto the back of your spider.
