Summer Holiday Activities (25th July - 2nd September)

See holiday planner for Thomley's action packed summer holidays with weekly themes, activities & workshops for all the family to enjoy

Please book in advance to avoid disappointment

RADIOS - If any parent or carer would like radio contact with staff for safety reasons, please ask the office for a radio handset

CHARITY CYCLE RIDE - David Arnold is cycling from Lands End to John O'Groats in support of Thomley Activity Centre . He will leave on 3rd September & aims to complete his 1,000 mile journey by 17th September. We would be delighted if you would sponsor his momentous, leg-aching journey. Sponsorship forms are on the Thomley office door.

More holiday fun at Thomley...

Making jewellery

During our May Day Play Day and June half term we offered a variety of workshops which, as you can see from the pictures thoroughly inspired those that joined in. Over the coming months there will be plenty more workshops for all Thomley users, i.e. toddlers, families, 16+ and community days.

Invigorated by Teiko drumming!

Development Update

Outdoor music equipment....

Our outdoor music equipment is in and sounds great. The beaters are in the office, so please ask if you would like to use them.

We also have a new music room which will (once we have managed to get it through the gate!) be situated down near the outdoor music equipment. This will mean that the sensory room will be a more peaceful sensory experience for everyone.

Zip wire....

Thank you to everyone who gave funding towards the zip wire. We are very excited that we now have enough money for the project. We are hoping that it will be installed during the summer holidays, if not before.

Assault course....

We are sorry to tell you that the assault course down the end of the field has been removed for health and safety reasons. We will look for a way to replace this but hope that the new zip wire will make up for this in the meantime.

Ramps....

We have finally found funding to install 2 new access ramps into the front door and the canteen. These should also be in by the summer holidays.

Cycle track, shuttle bus service & parent discussion groups...

Through a Lottery funding application, we were hoping to increase opportunities for teenagers at Thomley, to install a cycle track, to offer parent discussion groups and a shuttle bus service for those without transport. The project was sadly turned down on the basis that parent discussion groups (a very small portion of the budget) do not directly benefit young people?! Don't worry, we will apply again ... watch this space...

Having fun on May Day Play Day

Wish List.....

As usual we are asking for things we haven't got funding for, all your help is greatly appreciated...

- High chairs
- Jogging bottoms
- Cycle helmets
- Modern laptop
- Music equipment (not organs or pianos)
- Robust garden strimmer
