## Dates for your diary

### Thomley Activity Centre's 5th birthday party

14th July 2007 11am—3pm

Please come in your best party outfit and help us celebrate. There will be bouncy castles, jelly & ice cream, birthday cake, a B-B-Q, a magic show, make your own birthday badges and hats, face painting, bric-a-brac, plant and cake stalls, sports, a raffle & lots more.

As the day will also be a fundraising event, we would be delighted if you could help us by bringing prizes to add to the **tombola** (appropriate for adults and children) as well as **cakes** and **plants** for us to sell on our stalls.... oh, and please bring some sun too although there will be lots to do come rain or shine!

## Site development update

Over the summer, the portacabin on the field will be transformed into our new music room with ramped access. When open, it will be equipped with some new instruments and people using it can make as much noise as they like without disturbing anyone in the sensory room! We have not yet had any luck with getting funds for the canteen feasibility study, but we will keep you updated. We are however delighted to say that we are now over half way towards our funding target for the cycle track.

## What have we been up to at Thomley?

May half term was yet another holiday packed full of fun! The 'healthy living' holiday theme started with a pampering relaxation day, followed by a day of bend and stretch aerobics which exhausted the staff more than the children! Dancing barefoot in paint was a sensation enjoyed by all and the artwork produced is surprisingly beautiful. Children also had the chance to meet the director of the Summer Screen film making project and had a taster of filming processes which will be used over 3 days during the summer (see planner). The week ended with some energetic sport activities.

In June, Thomley took part in a rather soggy Thame carnival where our dragon and giant had their second and final outing in the parade as "Farmer Giles of Ham". Instead of fighting the dragon, brave knights helped hold the dragon together in the rain, as Farmer Giles proudly rode his hobby horse through town. We hope that Thomley will now be remembered in Thame!
