

School Visits to Thomley

As a School who visits us on a regular basis we value your opinions and wish to know more on what you get out of your visits to Thomley. We would appreciate it if you could take a couple of minutes of your time to answer the following questions, and maybe give us some testimonies so that we can relay this to new schools we will be approaching.

1. How often do you attend Thomley Hall and for how long would you stay on average?

2. What are the main things that students get out of coming to Thomley?

3. Do you feel Thomley meets any objectives in the school curriculum? If so, which ones?

4. What activities, facilities or staff does Thomley have that you don't have access to at School?

5. How are the visits to Thomley funded?

6. If the School pays, what part of the school budget does this come out of?

7. Do you feel that for the service, the cost is reasonable? Would a higher contribution to use Thomley be fair?

8. Are there any comments that staff or pupils wish to make about Thomley that we can use in PR materials when raising awareness with other local schools?

9. Does your school do any fundraising for local charities?

10. If so, who should we speak to, and when?

11. How could we promote Thomley as their charity of the year?

Thank you for your time
