

Spring workshops and activities

Tuesday 8th April - Animal Story & Song Sessions

Join Milly and Dawn for our story and song sessions. At 11am we will be 'Walking through the jungle', at 12.30pm it's a creepy crawly adventure with the 'Very busy bee' and at 2pm we stop off at 'Faraway farm'!

These are going to be open sessions for all children to get involved, so no booking is required.

Wednesday 9th April - Thomley's Minibeast Trail

Set off for a creepy crawly exploration to uncover all the little creatures that live on the Thomley field! We will be running 2 sessions at 11am and 2pm so make sure you bring your wellies and warm clothes if you want to join in!

Thursday 10th April - Zoolab Minibeast Session 1-3pm (4x30min sessions)

Come and meet the Zoolab Ranger to discover a variety of minibeasts and learn lots of interesting facts about them (you can even handle some of them if you're feeling brave!). From giant snails, to millipedes and snakes, we will be running 4x 30 minute sessions for up to 8 children each time so **booking is essential**.

Friday 11th & Tuesday 15th April - Dog Agility and Walking

Join our volunteer Jane and Tina, her 5yr old sheepdog, for either a walk around the Thomley site or a demonstration of Tina's agility skills. Tina is very friendly and absolutely loves completing obstacle courses, so once Jane has shown you, you're welcome to have a go!

(NB. Tina will be kept outside on the field all day so anyone who is unsure of dogs, need not worry! If you have any concerns, please call the office)

Wednesday 16th April - Falconry displays, handling and small petting area

Phill Gibbons from Ridgeside Falconry will be coming to Thomley for the entire day, with an array of birds, rabbits and guinea pigs. Phill plans to show the birds in action with a falconry display, with the children able to have a closer look at the animals throughout the day. This will be an open workshop for the children to join in with at any time.

Thursday 17th April - Thomley's new arrival!!

We're very excited!! We've decided it's about time we had a resident pet at Thomley, for all our children to enjoy and watch develop.....so we're going to get gerbils!! We would love the children to name our furry friends so the day will be dedicated to the children meeting our new arrivals and choosing the perfect name! (NB We will have a strict 'staff only' handling policy in place)

Friday 18th & Sat 19th April - Thomley's Jungle Multi sensory Sessions

We've had outer space and pirate adventures in our sensory room.....now its time for a jungle exploration!! You can either book a 30min session that includes a member of staff to support games and activities or just have a relaxing half hour as usual in our jungle themed room. Let us know when you book if you'd like a member of staff to provide the additional activities to complement your sensory session.
