

THOMLEY SUMMER WORKSHOPS

Please note that an 'open' workshop indicates that bookings will not be made for specific time slots and that everyone at Thomley is welcome to join in with the activity at any time.

◆ Thurs 26th July - Storytelling Session and Parent Workshop

Come and join Patrick, a local storyteller, for some wonderful tales of fairytales and magic! The story sessions will be 30min long and Patrick will then run an additional 20min workshop to show parents and carers some storytelling techniques! Story session and workshops will be from 11am-2pm and booking is required.

◆ Tues 31st July-Thurs 2nd August - Summerscreen Films

Summerscreen is an annual film festival supported by a variety of agencies such as UK Film Council, Screen South, BBC Oxford, ITV Central, Animation Station, Oxfordshire County Council and many more pioneering organisations.

- On Tuesday 31st July we will be having a drama shoot, making mini movies at Thomley, with some fantastic opportunities to be in front and behind the camera!
- On Wednesday 1st July we will be going through the editing process.
- On Thursday 2nd July we will have a dance piece choreographed by a young man who has Down's Syndrome and lots of experience of being on stage, being in a band and doing contemporary dance in front of an audience. We would also like to involve musicians (especially drummers and percussionists) with and without a disability to play live during the production. We are hoping to utilize some of the giant outdoor musical instruments at Thomley.

The final films will be screened at The Phoenix Picture House in Oxford at the end of the week.

So come and join in to become the next stars of Thomley!!
