Santa and his little helpers will be dropping in at Thomley for the day on the 17th December, so bring the whole family along to explore his magical grotto and to taste our mince pies and mulled wine... The theme for the holidays will be *'The Snowman'* the wonderful book by Raymond Briggs... we will be making a huge snowman collage for our book corner...

We would like to introduce **Milly Truen** who is the long awaited new addition to the Thomley Team.... As our **Playwork Coordinator**, Milly will be working closely with you all to develop a wider variety of activities. She will supervise the activities we offer and she will organise workshops using professionals from other organisations.... She will be seeking your ideas for these!

Milly has worked with children with disabilities for over 3 years at the Park School in Aylesbury and also leading the SNOOS After School club also based in Aylesbury. Milly has recently joined us from Milton Keynes where she worked with youth offenders... Milly is very excited about joining Thomley and is looking forward to meeting everyone...

**Soundabout...using music to unlock the potential of young people with severe disabilities...**

During the Christmas holidays Soundabout are coming to Thomley on the 21st and 22nd December... there will be 4 sessions each day which will need to be booked in advance..

The Soundabout sessions are most appropriate for the needs of children with profound and multiple disabilities....

The sessions each day will be at: 11am - 12.15 - 13.30 & 14.15  
Please book early to avoid disappointment.....

Membership.... Did you know that we offer a membership scheme for our regular users.... If you visit more than 12 times a year you save money..... please contact the office for further details...

We have finally got the notes from the Nutrition workshop which was run by Diana Wright in June earlier this year.....

This document has too many pages to print for everyone, so instead we will put a few copies in the parent resource room for you to read at your leisure ...We apologise for the time it has taken to publish this.....

Wish List.....does anyone know where we could get any of the following items?

- Digital camera
- Small sofa/easy chair for our book corner
